

THE EX-GAY SURVIVOR CONFERENCE

Undoing the Damage
Affirming our Lives Together

JUNE 29 - JULY 1, 2007

UC Irvine, California

For LGBT people of faith, the church can be a liberating refuge or it can be a hurtful place. Many of us sought to alter our sexuality and the process nearly destroyed our sense of self and our faith in God.

Through interactive workshops, lively talks and networking, the Ex-Gay Survivor Conference will bring together ex-gay survivors and others concerned with the negative effects of ex-gay experiences. We will develop and share positive strategies to address the ex-gay movement and recovery from it. It will also be a place to connect with other LGBT Christians. Most of all, it will be a time when we can celebrate the lives we have reclaimed as we help others reclaim their own.
